

## Another Fabulous Opportunity to Clear Your Closets ...

**Come On Ladies** – We all have those *Really Swanky Dresses* that are taking up space in our closets.

Get rid of these closet freeloaders by donating them to [donatemydress.com](http://donatemydress.com)

This organization helps girls in reduced circumstances by gifting them with evening wear that they can use at their proms.

Simply place the dresses in a sealed plastic bag and I will deliver them to the organization.
