

Water and Playground Fun

Splashing around in the water sounds like heaven. Little Panthers will be happily occupied with water activities. They will splash, throw, squirt and generally have a blast playing in the kiddie pools, slip n slides and sprinklers. This is a great way to keep them cool, while providing plenty of laughter and excitement while they splash around.

Playground fun is a time to take a break from our activities, a time for making friends and make-believe on our new state of the art equipment.

Insects & Nature: Campers will experience art and the life cycle of a butterfly through literature by exploring the colorful insects inspired by "The Hungry Caterpillar."

Week 2 - July 12th to July 16th

Sports & Games: Campers will participate in a variety of sports while developing skill and techniques.

Week 3 - July 19th to July 23rd

Carnival: Throughout the week, campers will make booth games such as: the penny toss, elephant ring toss and feed the lion in preparation for our Carnival Fun Day!

Week 4 - July 26th to July 30th
