

Our Pre-School Philosophy

The Academy of Our Lady of Peace Pre-school offers children a loving Catholic-Christian environment in which to learn and grow.

Our curriculum is designed to make each child's first school experience a successful and positive one. We want your children to feel safe and secure each and every day that they are in our care.

We believe that each child is a unique individual with special talents and abilities.

We also believe that parent participation throughout the school year is essential in establishing a close relationship between the home and school.
