2011 – 2012 School Year

Dear Parents at The Academy of our Lady of Peace,

We are Simply Gourmet, a catering company that specializes in providing lunch services to children. Our meals are nutritionally balanced, delicious and kid friendly. Nothing is fried and our products are completely nut-free.

Beginning on September 12, 2011, we will be providing optional lunch service to your school. The lunches are labeled and packaged by child. The cost for a base lunch is \$3.90 per meal. The base meal includes an entrée, and a side. You can choose to add daily produce items, additional entree portions, beverages, and/or desserts for a separate charge. Pizzeria pizza day will be on Wednesday each week.

How it works: A variety of entrée selections are offered each month and you may choose to participate all days or any individual days within a month. There are many alternate meal options offered on a daily basis. We also have vegetarian items, organic items and gluten free items (Click on the alternate meal box on your menu.) New orders, and/or changes to existing orders, must be placed at least three days in advance of the day you would like to receive services. This is referred to as our “72 hour lock out period”. Please keep this in mind when you are placing your orders. In the event of a snow day, a 50% credit will be issued for orders placed on that day and applied to your Simply Gourmet account for future use.

Order processing is automated via our website: simplygourmetlunches.com. Simply log in, create a profile and follow the directions to place orders for your child(ren). Payments may be made on line via credit card or check. There is a \$1 handling fee per financial transaction. Note: The \$1 handling fee is charged per order, not per child.

The September menu will be available for ordering by August 20, 2011.

Our web site offers information on nutritional values, allergy listings, and general updates. If you have any trouble navigating through our website feel free to contact us and we can “walk” you through the process. The upcoming monthly menu is posted by the 15th of each current month. You will also receive a system generated email as a reminder if you are registered in our system.

We look forward to serving your children!
